## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
LINC Community Revitalization, Inc.  
Grand Rapids, Michigan

We have audited the accompanying consolidated statement of financial position of LINC Community Revitalization, Inc. (a non-profit organization) and subsidiaries as of June 30, 2011, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

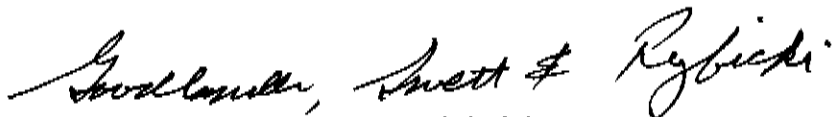

We have conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of LINC Community Revitalization, Inc. and subsidiaries as of June 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued reports dated February 29, 2012 on our consideration of the Organization's internal control over financial reporting and

on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants, agreements and other matters. The purpose of those reports is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. Those reports are an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of the Organization taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Year Ended June 30, 2011

NOTE A -- NATURE OF ACTIVITIES

LINC Community Revitalization, Inc. and Subsidiaries (LINC) is a non-profit organization that seeks to stimulate community revitalization through providing quality affordable housing in target areas within Kent County, Michigan for persons of low and moderate income. Programs include rental and owner occupied rehabilitated housing, lead paint remediation, homeowner counseling and lending, and community organizing activities. LINC also actively works to stimulate economic change in its target area through supporting commercial real estate developments.

Effective January 4, 2011, LINC Community Revitalization, Inc. filed an amendment with the State of Michigan to amend its Articles of Incorporation to change to its current name from its former name of Lighthouse Communities, Inc.

NOTE B -- SIGNIFICANT ACCOUNTING POLICIES

Consolidating Polices

Included in the consolidated financial statements are the financial position and financial results of two wholly-owned subsidiaries. Roosevelt Park Commercial, LLC, is a for profit subsidiary established to develop 2,400 square feet of commercial space in connection with a separate tax credit residential development in the target neighborhood. Lighthouse Development Center, LLC, is a for profit company created to renovate the building which provides LINC's new office and provides space for a new-business incubator. All intercompany transactions and balances have been eliminated upon consolidation.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

Year Ended June 30, 2011

NOTE B -- SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

It is the Organization's policy to capitalize property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Property and equipment are depreciated using the straight-line method.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The consolidated subsidiaries are for profit limited liability companies and may generate taxable income in the future.

Management of LINC believes it has no material uncertain tax positions under generally accepted accounting principles and, accordingly, it will not recognize any asset or liability for unrecognized tax benefits. LINC has never been audited by the Internal Revenue Service.

Functional Allocation of Expenses

The costs of providing the various programs have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated to the programs and supporting services benefited.

NOTE C -- GRANTS RECEIVABLE

Grants receivable are recorded net of present value discount for amounts scheduled to be received after more than one year.

Loans range from \$5,000 to \$70,000 and are at a 6% fixed rate with amortization between 5 and 15 years. All loans are approved by a loan committee prior to origination.

Village Limited Dividend Housing Association Limited Partnership, and the Roosevelt Park Lofts Limited Dividend Housing Association Limited Partnership. The limited partnerships have acquired housing projects which qualify for federal low income housing credits under Sec. 42 of the Internal Revenue Code. The 0.01% interest in the partnerships is not considered material and therefore is not included in the accompanying financial statements.

In future years, if cash flow of the projects permits, there could be minor amounts of developer fee income received. The general partner can at the end of 15 years purchase the housing projects and assume the loans which would be payable in 30 years which is the end of the low income period.

Subsequent to June 30, 2011, LINC is in the process of pursuing additional similar projects.

In connection with the Uptown Village project, LINC owns a 50% equity investment in a for profit Limited Liability Company which owns and leases 7200 square feet of office and retail space to commercial tenants. LINC does not have adequate control over this project to warrant consolidation, and the investment will be accounted for using the equity method. The balance of the equity investment is \$26,111 at June 30, 2011.

NOTE M -- SUBSEQUENT EVENTS

Subsequent events have been evaluated through February 29, 2012, which is the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

INDEPENDENT AUDITORS' REPORT  
ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS (*No Material Weaknesses  
Identified, Significant Deficiencies Identified, and No Instances  
of Noncompliance or Other Matters Identified*)

To the Board of Directors of  
LINC Community Revitalization, Inc.  
Grand Rapids, Michigan

We have audited the consolidated financial statements of LINC Community Revitalization, Inc. and subsidiaries as of and for the year ended June 30, 2011, and have issued our report thereon dated February 29, 2012. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## Internal Control Over Financial Reporting

In planning and performing our audit, we considered LINC Community Revitalization, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the combined financial statements but not for the purpose of expressing an opinion on the effectiveness of internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the

entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. However, we identified a deficiency in internal control over financial reporting, described in the accompanying Schedule of Findings and Questioned Costs, that we consider to be a significant deficiency. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lighthouse's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management, the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specified parties.

TO EACH MAJOR PROGRAM AND INTERNAL CONTROL  
OVER COMPLIANCE IN ACCORDANCE WITH  
OMB CIRCULAR A-133 (*Unqualified Opinion on Compliance; No  
Material Weakness or Significant Deficiencies in Internal Control  
Over Compliance Identified*)

To the Board of Directors  
LINC Community Revitalization, Inc.  
Grand Rapids, Michigan

## Compliance

We have audited LINC Community Revitalization, Inc.'s compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that could have a direct and material effect on each of LINC Community Revitalization, Inc.'s major federal programs for the year ended June 30, 2011. LINC's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of management. Our responsibility is to express an opinion on compliance based on our audit.

We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about compliance with those requirements and performing such other procedures as we considered necessary in the

circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of compliance with those requirements.

In our opinion, LINC Community Revitalization, Inc. complied, in all material respects, with the compliance requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2011.

#### Internal Control Over Compliance

Management of LINC Community Revitalization, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance and its operation that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the Board of Directors, management, and federal awarding agencies and pass-through entities, and is not intended to be, and should not be, used by anyone other than these specified parties.
