

## **About the Community Spirit Awards**

Neighborhoods are complex environments that are facing a series of complex issues. LINC Up understands that it takes many individuals and organizations with various approaches to achieve sustainable change. Each year, LINC celebrates and highlights the work of individuals and organizations influencing and effecting change in our communities. We believe in recognizing organizations with innovative ideas, those committed to advocacy work, youth making a difference in the community, and all of those working for neighborhoods that matter.
